Global Markets Research

Mid-day Currency Outlook

USD/MYR

Source: Bloomberg, HLBB Global Markets Research

Intraday Thoughts – MYR Neutral to Bullish

USD/MYR opened little changed at 4.0515, hovering at circa 4.05-4.06 levels in recent sessions. We remain neutral to bullish MYR on the back of extended dollar weakness and ahead of the FOMC meeting. No change to current view that the pair likely trades within a range of 4.03-4.08 this week, with room for further downside.

1-Month Outlook – MYR Bullish

We are bearish on USD/MYR on a one-month basis. The MYR appears to be quick in regaining its footing from the knee-jerk selloffs following the rating downgrade decision by Fitch. The pair will also be driven down by expectation for a weaker USD following a clearer political situation amid a Joe Biden's victory. A Biden Administration is expected to return the US executive branch to normalcy and eliminate any abrupt decisions on both the domestic and international fronts that so often characterized the Trump Presidency for the past four years. The Fed's sustainably accommodative policy coupled with weak recovery outlook alongside high unemployment rate are also expected to weigh on the greenback as we head into the end of 2020.

	S2	S1	Indicative	R1	R2
USD/MYR	4.0435	4.0500	4.0510	4.0680	4.0775

MYR Crosses

EUR/MYR

EUR/MYR Neutral to Bullish

EUR/MYR opened little changed at 4.9256. After having broken 4.94 yesterday, pair is seen easing down as underlying momentum was soft. Outlook is neutral to bullish with upside likely kept at circa 4.94-4.95. EUR could also benefit from a bullish GBP moving forward if a Brexit deal is indeed reached.

	S2	S1	Indicative	R1	R2
EUR/MYR	4.9156	4.9270	4.9327	4.9500	4.9587

GBP/MYR

GBP/MYR Neutral to Bullish

GBP/MYR opened 1% higher at 5.4494, extending its recent gain as Brexit hope remains elevated. We are neutral to bullish on the pair, as bullish sentiment seems to prevail for now, awaiting the deal to be penned out, but did not eliminate the no-deal Brexit risk.

	S2	S1	Indicative	R1	R2
GBP/MYR	5.4000	5.4200	5.4469	5.4590	5.4750

AUD/MYR

AUD/MYR Neutral

AUD/MYR opened 0.4% higher at 3.0627, still trading just shy of 3.06. We maintain neutral outlook on AUD/MYR on the back of cautious sentiment. The pair remains largely AUD-driven in our view, and could potentially trend higher given resiliency in the Aussie in the medium term.

	S2	S1	Indicative	R1	R2
AUD/MYR	3.0235	3.0400	3.0583	3.0700	3.0800
