Global Markets Research

Mid-day Currency Outlook

USD/MYR

Source: Bloomberg, HLBB Global Markets Research

Intraday Thoughts – MYR Neutral to Bearish

USD/MYR opened 0.1% lower at 4.1655 this morning after the MYR weakened alongside its Asian counterparts against the USD in the previous session. We are neutral to bullish on the pair today as USD strength continues to dominate the market but believe that the upsides will be capped by the anticipation for Malaysia's 3Q GDP numbers today.

1-Month Outlook – MYR Bullish

We expect the MYR to be relatively resilient in the medium term, taking into account further economic recovery after the government relaxed more Covid-19 related restrictions. This is also supported by our view that the broader USD is also expected to strengthen modestly as the Federal Reserve's policy normalization pace is conducted less aggressively compared to other global central banks.

	S2	S1	Indicative	R1	R2
USD/MYR	4.1400	4.1530	4.1685	4.1715	4.1800

MYR Crosses

EUR/MYR

EUR/MYR Neutral to Bearish

EUR/MYR opened 0.1% lower at 4.7742. EUR/USD has broken 1.1450, targeting 1.1420 next as the dollar strength remains persistent. We maintain our view of neutral to bearish EUR/MYR as we expect the pair to continue trading on a weaker note, in view of a relatively resilient MYR.

	S2	S1	Indicative	R1	R2
EUR/MYR	4.7500	4.7650	4.7677	4.7850	4.7958

GBP/MYR

GBP/MYR Neutral to Bearish

GBP/MYR opened 0.2% lower at 5.5739. After breaching 1.3400, the sterling slipped further to 1.3350 amid USD strength, softer-than-expected UK GDP as well as risk aversion related to Brexit uncertainties. We are neutral to bearish on GBP/MYR amid a relatively resilient MYR while expecting Brexit tension to continue weighing on the GBP. The triggering of the Article 16 remains a major downside risk for now.

	S2	S1	Indicative	R1	R2
GBP/MYR	5.5300	5.5500	5.5688	5.6000	5.6270

AUD/MYR

AUD/MYR Neutral to Bearish

AUD/MYR opened little changed at 3.0405. AUD/USD broke below 0.7300 alongside other commodity currencies amid risk aversion. We are neutral to bearish on the pair as the slower than expected recovery in job growth reinforced the RBA's dovish policy stance.

	S2	S1	Indicative	R1	R2
AUD/MYR	3.0150	3.0300	3.0352	3.0500	3.0700
