Intraday Thoughts – MYR Bearish

USD/MYR opened 0.4% higher at 4.1350. After the dollar strengthened post-FOMC meeting, we expect USD/MYR to move in tandem with the broader greenback but for now, MYR appears to be quite resilient. The pair broke past 4.12 as expected but stayed at just over 4.13. We still see possibility for the pair to head towards 4.14 levels as market digests the Fed’s new rate hike expectations, particularly if initial jobless claims print strong reading tonight. 4.15 is a key resistance.

1-Month Outlook – MYR Neutral to Bearish

The MYR medium-term outlook will likely be influenced by USD movements as well as the pandemic development on the local front. In the immediate term, we expect some pressure on MYR amid growth concerns stemming from the nationwide lockdown to contain the elevated infection rates and new virus variants, before stabilizing at a more familiar range of 4.13-4.14.

	S2	S1	Indicative	R1	R2
USD/MYR	4.1055	4.1250	4.1325	4.1400	4.1500

MYR Crosses

EUR/MYR

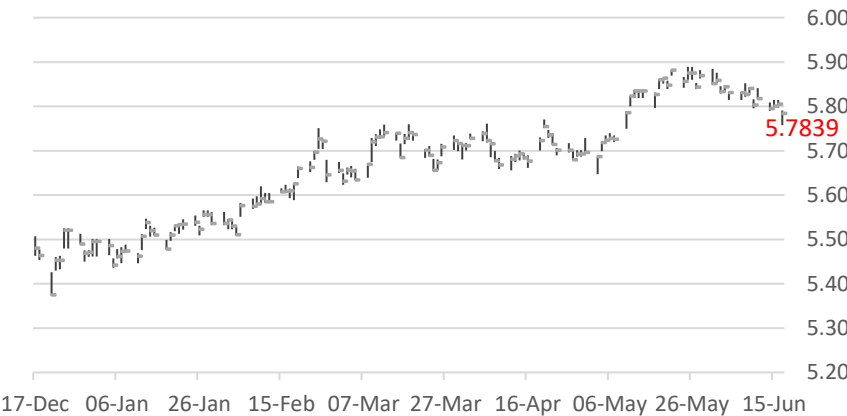

EUR/MYR Neutral to Bearish

EUR/MYR opened 1.1% lower at 4.9380 but recovered to near 4.96. We are neutral to bearish on the pair as post-FOMC dollar bulls weigh on EUR/USD, testing 1.20 big figure support. A break below this level would shift the focus next to 1.1910; EUR/MYR is expected to move in tandem if this happens, with support at 4.9360.

	S2	S1	Indicative	R1	R2
EUR/MYR	4.9186	4.9360	4.9593	4.9600	4.9844

GBP/MYR

GBP/MYR Neutral to Bearish

GBP/MYR opened 0.8% lower at 5.7590 but bounced back to 5.78 levels as of writing. GBP/USD has suffered less steep fall compared to other G10s, supported by the higher CPI rate and generally still positive growth outlook, despite recent delay of the reopening. We are neutral to bearish on the pair mainly because of strong USD sentiment post-FOMC meeting.

	S2	S1	Indicative	R1	R2
GBP/MYR	5.7359	5.7570	5.7839	5.8046	5.8250

AUD/MYR

AUD/MYR Neutral to Bearish

AUD/MYR opened 1.1% lower at 3.1347 but rebounded to above 3.15. The super strong Australia's job report is expected to offer some support to AUD/USD although the broad USD bulls are still likely to outweigh the data optimism, making it a challenge to climb back to 0.77 for now. Thus, AUD/MYR is likely staying below 3.16 today.

	S2	S1	Indicative	R1	R2
AUD/MYR	3.1240	3.1335	3.1509	3.1600	3.1758
