Global Markets Research

Mid-day Currency Outlook

USD/MYR

Source: Bloomberg, HLBB Global Markets Research

Intraday Thoughts – MYR Neutral

USD/MYR opened little changed at 4.1800 and strengthened slightly to 4.1830. Cautious sentiment ahead of the weekend may bode well for the pair in the short term with immediate resistance at 4.1850, although the pair is expected to stay constrained at levels near 4.1800, awaiting guidance from next week's FOMC meeting minutes.

1-Month Outlook – MYR Bullish

We expect the MYR to be relatively resilient in the medium term, taking into account further economic recovery after the government relaxed more Covid-19 related restrictions. This also takes into account our view that the broader USD is also expected to strengthen modestly as the Federal Reserve's policy normalization pace is conducted less aggressively compared to other global central banks.

	S2	S1	Indicative	R1	R2
USD/MYR	4.1430	4.1615	4.1830	4.1850	4.2000

MYR Crosses

EUR/MYR

EUR/MYR Neutral to Slightly Bullish

EUR/MYR opened 0.3% higher at 4.7533 after EUR/USD recovered to 1.1360 amid a pause in USD strength. We maintain neutral to slightly bullish outlook on EUR/MYR, expecting the lack of major driver and fading USD strength to keep the pair supported within 4.7400-4.7650 range today.

	S2	S1	Indicative	R1	R2
EUR/MYR	4.7080	4.7300	4.7501	4.7634	4.7791

GBP/MYR

GBP/MYR Neutral

GBP/MYR opened little changed at 5.6449 this morning after the sterling continued to display resilience against the dollar overnight, thanks to the BOE rate hike expectations. We turned neutral on GBP/MYR today on lingering Brexit uncertainties as well as anticipation for the UK's retail sales data that may move market either way.

	S2	S1	Indicative	R1	R2
GBP/MYR	5.6043	5.6314	5.6432	5.6584	5.6700

AUD/MYR

AUD/MYR Neutral

AUD/MYR opened 0.1% lower at 3.0429. AUD/USD had traded marginally higher overnight as USD strength faded. We are neutral on AUD/MYR, expecting a muted trading session ahead of the weekend. In the short to medium term, dovish RBA policy stance and China's slower growth outlook could remain a major drag on the Aussie dollar.

	S2	S1	Indicative	R1	R2
AUD/MYR	3.0200	3.0300	3.0426	3.0571	3.0715
