173	Food, Mum & Kids		4M Green Science Magic Water Tap - 4M-03458	The 4M Green Science Magic Water Tap is a battery-operated toy that creates a mesmerizing optical illusion of a levitating tap. It features a small water pump that circulates water from the container to the tap and back again, creating a continuous flow. The tap includes a hidden magnet that attracts the metal ball chain, giving the impression of a floating tap. This toy is easy to assemble and promotes creativity, imagination, and curiosity in children while teaching them about magnetism and water flow. It is an eco-friendly toy that encourages the reuse of water containers.	7237	56,200	3237	67,400	9237	31,100	48
174	Food, Mum & Kids		4M KidzRobotix Hydrant Robot - 4M-03451	The 4M Kidz Robotix Hydrant Robot is a fun and interactive toy that allows kids to build their very own robotic fire hydrant. Once assembled, children can turn the crank to make the robot pump water, just like a real fire hydrant! This toy is a great way to introduce children to the world of robotics and engineering while also teaching them about the importance of fire safety.	7238	47,400	3238	56,800	9238	25,900	41
175	Food, Mum & Kids		4M Green Science Motorised Solar System - 4M-03416	This Planetarium is a model of our Solar System. Watch the planets move around the Sun, powered by the Sun itself or the back-up battery.	7239	59,800	3239	71,700	9239	32,500	52
