1. What is this product about?

- This is a regular premium investment-linked plan up to age 100.
- Insurance protection provided is death only.
- The policy values of this policy vary directly with the performance of the unit funds.
- Please refer to Section B of Question 2 for benefit descriptions of any other attaching rider.

Your insurance charge (which is not guaranteed and deducted from the account value) will increase as you get older. It is possible that the account value may be insufficient to pay for the high insurance charge and policy fee in later years due to circumstances such as poor fund returns, premium holiday or withdrawals causing your policy to lapse before attaining the age of 100. In such event you may need to top up your premium to ensure continuous coverage.

The Sum Assured for this plan is RM and the duration of the coverage is years or upon termination, whichever occurs first.

- Importance of disclosure – you must disclose all material facts such as medical condition, and state your age correctly.
- Free-look period - you may cancel your policy by returning the policy within 15 days from the date of delivery of the policy. HLA will refund to you the unallocated premiums, the value of units that have been allocated (if any) at unit price at the next valuation date, any insurance charge, policy fee and any applicable tax that have been deducted less any medical fee incurred.
- Cash value – the cash value of the investment-linked policy depends on the performance of the investment-linked funds selected.
