WINNERS SELECTION AND PRIZES FULFILLMENT

14. The winners' selection process is as follows:

Step 1

- (a) All Qualifying Entries in the Grand Prize selection pool will be assigned to a new random serial number and these serial numbers will be arranged in chronological order. The total serial numbers of entries will be divided by three (3) to select the potential winner of the Grand Prize ("**Grand Prize Shortlisted Winner**"). The serial number after the division is not a whole number, the serial number will be the rounded down to the nearest whole number. For example, if there are a total of 37,000 serial numbers, the total serial numbers will be divided by three (3) and rounded down to the nearest whole number. The Grand Prize Shortlisted Winner will therefore have the serial number of 12,333.

Step 2

- (a) All Qualifying Entries in the First Prize selection pool will be assigned to a new random serial number and these serial numbers will be arranged in chronological order. The total serial numbers of entries will be divided by three (3) to select the potential winner of the First Prize (“**First Prize Shortlisted Winner**”). All the serial numbers selected after the division will be the rounded down to the nearest whole number. For example, if there are a total of 27,000 serial numbers, the total serial numbers will be divided by three (3) and rounded down to the nearest whole number. The First Prize Shortlisted Winner will therefore have the serial number of 9,000.
- (b) In the event the First Prize Shortlisted Winner is also the Grand Prize Shortlisted Winner, the customer with the next serial numbers will be chosen as the First Prize Shortlisted Winner. For example, if the customer with the 9,000th serial number is the Grand Prize Shortlisted Winner and who is also the First Prize Shortlisted Winner, the 9,000th serial number will be nullified and the customer with the 9,001th serial number will be replaced as the First Prize Shortlisted Winner.

Step 3

- (a) All Qualifying Entries in the Second Prize selection pool will be assigned to a new random serial number and serial numbers will be arranged in chronological order. The total serial numbers of entries will be divided by three (3) to select the potential winner of the Second Prize (“**Second Prize Shortlisted Winner**”). All the serial numbers selected after the division will be the rounded down to the nearest whole number. For example, if there are a total of 17,000 serial numbers, the total serial numbers will be divided by three (3) and rounded down to the nearest whole number. The Second Prize Shortlisted Winner will therefore have the serial number of 5,666.
- (b) In the event the Second Prize Shortlisted Winner is also the Grand Prize Shortlisted Winner or First Prize Shortlisted Winner, the customer with the next serial numbers will be chosen as the Second Prize Shortlisted Winner. For example, if the customer with the 5,666th serial number is the Grand Prize Shortlisted Winner or First Prize Shortlisted Winner and who is also the Second Prize Shortlisted Winner, the 5,666th serial number will be nullified and the customer with the 5,667th serial number will be replaced as the Second Prize Shortlisted Winner.

Step 4

- (a) The Shortlisted Winners shall be contacted by the Bank or its appointed Campaign manager, ShopperPlus Sdn. Bhd. (1099242W) (“**ShopperPlus**”) via a telephone call between 9:00 a.m. to 5:00 p.m. and the Shortlisted Winners are then required to answer **one (1)** Bank-related question.
- (b) The Shortlisted Winners who respond with the correct answer will be entitled to their respective Prize (“**Winners**”). In the event, if the Shortlisted Winners unable to respond with the correct answer, The Shortlisted Winners will be disqualified from winning. The next serial number will be selected as the Shortlisted Winners.
- (c) In the event the first attempt to call the Shortlisted Winners fail for whatsoever reason, another two (2) attempts will be made within the next two (2) hours from the first call to the Shortlisted Winners. Where such further attempts are unsuccessful, the Bank reserves the right to select another Shortlisted Winner with the subsequent serial number e.g., where the Shortlisted Winner with serial number 5,285 could not be contacted, the customer with the serial number 5,286 will be selected as the Shortlisted Winner and contacted.
15. The announcement of the Winners (i.e., Name and masked MyKad/passport (“**ID**”) number) will be made available on the Bank’s website www.hlb.com.my/win180k by 15 May 2022 (“**Winners Announcement**”).
